

**RESOLUTION**  
**of the Board of Directors of the Norman Chamber of Commerce**  
**declaring support for the Norman Police Department**

Both founded in 1919, the Norman Chamber of Commerce and Norman Police Department have shared a joint vision to enhance the quality of life for all citizens of Norman for over 100 years.

The members of the Norman Police Department play an essential role in safeguarding the rights and freedoms of the residents and businesses of our city. Norman Police Officers stand watch over our citizens and businesses, selflessly risking their lives to protect individuals, families, neighborhoods, and property against crime.

Norman Police Officers are some of the most qualified and highest trained officers in our state. They regularly set the bar for professionalism and achievement within their field.

Public safety is a core function of government, and important to our local businesses and jobs. The Norman Chamber of Commerce recognizes the benefit of a cooperative relationship between law enforcement and business. We support these and the many other ways the Norman Police Department partners with our community:

Community Policing  
School Resource Officers  
Crime Stoppers  
Citizens Police Academy  
National Night Out  
Neighborhood Watch  
Safety Town  
Coffee with the Cop

The Chamber Board therefore wishes to extend our appreciation and support to the men and women of the Norman Police Department and encourages all of its members and other citizens of Norman to join in this heartfelt gratitude.

Approved on November 9, 2020.
